DEDAR

ABOUT FLOWERS

Dedar

Since 1976, Dedar operates in the textile sector as one of the most innovative Italian companies, presenting collections of fabrics, curtains, wall coverings and trimmings. The About Flowers collection, inspired by a painting from the 1920s, features a design of flowers and exotic fruits on a linen and jute fabric, reproduced in bright tones using 40-colour inkjet printing.

www.dedar.com**SONG**

Lievore Altherr Molina

The Song coat hanger is made up of eight arms shaped like musical notes that rotate independently around a metal stem to create dynamic compositions. Available in a wall-mounted or floor-standing version with three different steel bases in white, dark grey and natural oak.

FIAM ITALIA

THE WING

Daniel Libeskind

FiAm Italia forges glass using processes that combine artisan skill with advanced technology. The Wing collection of mirrors designed by Daniel Libeskind is characterised by the grooves cut into their surfaces that break up the reflected image and alter the overall perception.

www.fiamitalia.it**CITY**

Studioart

Collection of leather wall coverings, City is composed of single tiles made from a thin piece of leather applied to a rigid base, or as shown in the photo here, in a version with a curved surface that reproduces a rounded effect. The leathers used are all full-grain cowhides, chrome-tanned and dry-glued using ordinary building adhesives.

www.studioart.it**GROOM**

Philippe Nigro

The Les Nécessaires d'Hermès collection extends the home range from the French fashion house with a line of multifunctional furnishings. One of these is Groom, a versatile clothes rack with a metal structure covered in canaletto walnut that incorporates a jewel case, a shelf for bags and scarves, a trouser hanger and back-view mirror.

STUDIOART

ATELIER

Marco Dessì

Semplice e sofisticato allo stesso tempo, Atelier è un'appendiabiti che integra un attaccapanni che ne raddoppia la funzione, pur mantenendo pressoché invariato l'ingombro. Si compone di stoffe in lamiera d'acciaio di 2 mm che sostengono ripiani in melamina o in legno. Le mensole, di lunghezze diverse, possono essere combinate liberamente.

• Simple yet sophisticated, Atelier is a wall shelf that incorporates a coat rack to give it a dual function without increasing the space it occupies. It consists of elements in two-mm-thick sheet steel that support shelves in melamine or wood. The shelves come in different lengths and can be grouped together in various arrangements.
