Touchy-feely

You don't get much more 1970s than suede, and now you can dress your walls in the strokable fabric, too. Very Studio 54, this sumptuous Watersuede wall covering also indulges our current obsession with herringbone. Watersuede wall covering, £442 per metre, by Studioart, from Rubelli; 020 7349 1590

Get knotted

Macramé is to your home what crochet is to your wardrobe, which is why we love these dip-dyed hangers. Load them up with spider plants for a groovy, bohemian vibe. Finsbury plant hanger, £55, by A Rum Fellow
