## DESIGN DYNASTY

To coincide with the release of *David Hicks Scrapbook* (Vendome UK, £60), his son, Ashley Hicks, has designed a fabric with GP & J Baker featuring a geometric pattern that his father would surely approve of. 'Hicksonian' (right, £89 per metre; [gpjbaker.com](http://gpjbaker.com)), available in a choice of two colours, blue or scarlet, is inspired by a wallpaper design of his father's from 1974. The scrapbook itself comes in a volume of 25 individual tomes and covers the period from 1950 until the renowned interior designer's death in 1998, offering an intimate insight into his work, including candid personal snaps of celebrities of the day, press cuttings and fabric swatches.

## GENERATION X

What better way to celebrate ten years in business than to create something striking? Leather expert Studio Art ([studioart.it](http://studioart.it)) has asked three emerging designers – Giorgia Zanellato, Elaine Yan Ling Ng and Massimo Brancati, the creator of 'Frammenti Urban' (below) – to each create a wallcovering that will show off the versatility of the material. The 'X Anniversary' collection costs from £488 per square metre ([studioart.it](http://studioart.it)).

## EFFORTLESS TERRAZZO

With its beautiful coloured jewels of marble set in concrete, the terrazzo trend is here to stay, so it's no surprise that it's now possible to get the look without the hassle. This vinyl flooring by Atrafloor comes in two designs, the subtle 'Fleck' or the large scale 'Terra' pattern (above). You also have the option to customise the print in different colours for a look that's hardwearing and unique. £59 per square metre ([atrafloor.com](http://atrafloor.com)).

## BESPOKE ON A BUDGET

Transform tired looking kitchen units or add finesse to an Ikea design with fresh new doors and plinths. Custom Fronts uses sustainable materials to create these affordable updates – choose from basic Ikea 'Metod' and 'Besta' dimensions or send your own measurements. Pick from six wood options, including a Scandinavian birch ply, or go for a hand painted finish, such as 'Musk Mallow' (below). From £18 for one door front ([customfronts.co.uk](http://customfronts.co.uk)).
