## TEXTURED

With a range of materials including leather, fabric and linen, you can achieve a 3-D, textural effect for your walls. Some in the selection come with embossed designs, which is an unconventional take on wallcoverings.

**15** Studioart Watersuede leather collection, from Tatum.

**16** Celebrity by Elitis, from Goodrich.

**17** Ombree collection, from Wallpepper.

**18** Reve de Rotonde by Misia Paris, from Bode.

**19** Studioart Kaleido leather collection, from Tatum.

**20** Chacran by BN Wallpaper, from Goodrich.

TIP

Try using darker shades of textured wallpaper in the bedroom for an understated yet contemporary style inspired by the designs of luxury hotel suites.
