BOOM!

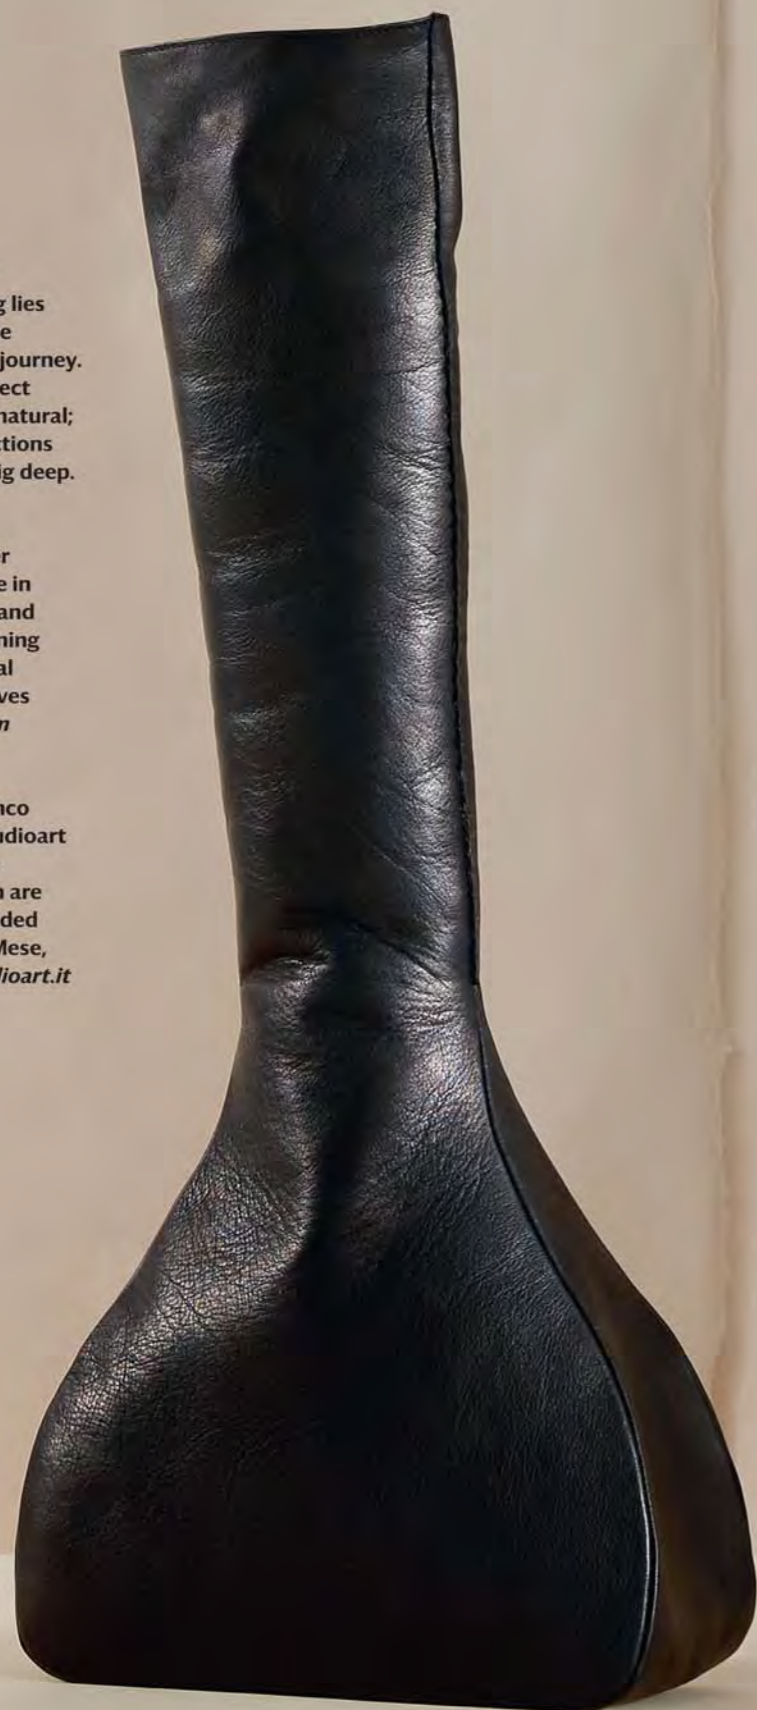

Taking inspiration from velvet-lined offertory bags, the handle of this bag lies deep within a long sleeve, turning the act of reaching inside into a sensory journey. It comes in three leathers: velour-effect Watersuede; chiaroscuro-like Waternatural; and Rodeo, featuring alternating sections of leather and fur. We suggest you dig deep.

Jamie Fobert Architects

London based-architect and designer Jamie Fobert established his practice in 1996. Inspired by functionality, ease and the interplay of light, the award-winning practice has won three public cultural commissions, including the Tate St Ives extension. jamiefobertarchitects.com

Studioart

Set up in 2006 by Nadia and Gianfranco Dalle Mese, Italian leather expert Studioart specialises in creating custom-made textured leathers for interiors, which are produced at the family tannery founded by the pair's father, Giuseppe Dalle Mese, in Montebello Vicentino in 1967. studioart.it
